NLRB-2019-000161	Christopher Bangs	I am requesting the following records in electronic format (with CSV or XML preferred if the Board's database can output in those file types): the NLRB's bulk dataset of ULP charges against employers from FY 2015 and 2016, including if possible the employer, the charge, and the outcome. I am particularly interested in pre- and post-election ULP charges brought by the GC on behalf of labor unions, so if it is possible and more efficient to narrow the scope of the request to those charges, then that would be fine.	11/19/2018	12/27/2018	Full Grant

NLRB-2019-000225	Megan Mumford	This data request pertains to NLRB cases involving sexual harassment issues with unions and employers. I am aware that NLRB does not specifically collect data on whether a case involves a sexual harassment issue; after receiving case information on Duty of Fair Representation and harassment claims through a previous FOIA request (NLRB-2019-000075), I narrowed my search to 201 cases that involve both the DFR and harassment. However, the attached Excel sheet shows that very few of the case reference numbers produce searchable documentation on NLRB's website. As indicated in the columns in the attached sheet, I am requesting the following information for each of the 201 case reference numbers: case name, date filed, outcome, available documents, whether the case involves a sexual harassment issue, whether the claimant was the accuser or the accused in the sexual harassment issue, issue/findings, and gender of the complainant. I have noted which documents I can already access for each case and would like available documents for any case in which there is an issue of sexual harassment (so, cases with a Yes in the "Involved Sexual Harassment?" column). While I understand that NLRB does not collect readily accessible data on sexual harassment, I hope that by narrowing my scope to the attached 201 cases, a search will be possible. I am happy to clarify as needed.	12/14/2018	3/8/2019	Not an Agency Record

		This request is similar to FOIA Case No. NRLB-2019-000062. I am hoping for the number of CA and CB cases that were dismissed by the Agency's Regional Offices and that were reviewed by, and subsequently remanded, and/or affirmed by, the Office of Appeals. I'm looking for the results from particular fiscal years: For NRLB-2019-000062, this came back as the number of CA or CB cases that were (a) reviewed and denied; (b) reviewed and sustained; (c) remanded and denied; and (d) remanded and sustained. It would be great to have the same format for this FOIA request. I'm hoping to get these statistics for Fiscal Years 2009, 2010, 2011, 2012, 2016, and 2019.
